As part of the approval request, Supplier shall identify the specific media to be used as well as other pertinent details of the proposed release. All releases, regardless of tier of supplier, must have the prior approval of Buyer.
- (b) Should any information described in (a) above be requested, subpoenaed, or otherwise sought by a court or other judicial or administrative authority, this should be promptly brought to the attention of Buyer to permit appropriate measures to be taken to protect the information. Under no circumstances, should this information be released to such authority without prior notification and agreement of Buyer.

CONDITION OF RENTED/LEASED PROPERTY

Rented property furnished under this order shall be of good quality and in safe operating condition, and shall comply with the Federal and State safety regulations applicable thereto. Buyer shall accept or reject the rented property promptly after receipt. If Buyer determines that any rented property furnished is not in compliance with this order,

Buyer shall promptly inform the Supplier in writing. If the Supplier fails to replace the rented property or correct the defects as required by Buyer, Buyer may (a) by purchase order or otherwise, correct the defect or arrange for the rental of a similar property and shall charge or set off against the Supplier any excess costs occasioned thereby, or (b) terminate the order under the Default article of this order.

RESPONSIBILITY FOR RENTED/LEASED PROPERTY

Except for reasonable wear and tear, Buyer agrees to return the rented property in as good condition as when received.

RESPONSIBILITY FOR DAMAGES

(a) Supplier assumes entire responsibility and liability for losses, expenses, damages, demands, and claims in connection with or arising out of any injury or alleged injury (including death), or damage or alleged damage to property, sustained or alleged to have been sustained in connection with or to have arisen out of (1) Supplier's providing of defective rented property or (2) Supplier's defective maintenance of rented property (when such maintenance is required by this order). Supplier will indemnify and save harmless the Government and Buyer from and against any and all claims, demands, actions, causes of action, suits, damages, expenses (including attorney's fees) and liabilities whatsoever resulting from or arising in any manner on account of or by reason of any damages which may occur or be alleged to have occurred as a result of or in connection with (1) Supplier's providing of defective rented property or (2) Supplier's defective maintenance of rented property (when such maintenance is required by this order).

(b) Supplier shall procure at its own expense, and shall likewise maintain or cause to be maintained, during the term of this order, \$1,000,000 of General Liability insurance to protect Supplier, Buyer and the Government against liability with respect to bodily injury or death, or property loss or damage, which may be imposed by law upon Supplier or which is assumed by Supplier under this order.

LIABILITY FOR UNCOMPLETED OR ERRONEOUS TRANSFERS

If the EFT information changes after submission of correct EFT information, the Buyer shall begin using the changed EFT information no later than 30 days after its receipt by the designated office to the extent payment is made by EFT. However, the Supplier may request that no further payments be made until the updated EFT information is implemented by the payment office. If such suspension would result in a late payment, the Supplier's request for suspension shall extend the due date for payment by the number of days of the suspension.

If an uncompleted or erroneous transfer occurs because the Buyer used the Supplier EFT information incorrectly, the Buyer remains responsible for-

- Making a correct payment;
- Recovering any erroneously directed funds.

If an uncompleted or erroneous transfer occurs because the Supplier EFT information was incorrect, or was revised within 30 days of Buyer release of the EFT payment transaction instruction to the Federal Reserve System, and-

- If the funds are no longer under the control of the payment office, the Buyer is deemed to have made payment and the Supplier is responsible for recovery of any erroneously directed funds; or

If the funds remain under the control of the payment office, the Buyer shall not make payment and the provisions of the first paragraph shall apply.

DISPUTES

Supplier shall not be entitled to claim and BMPC shall not be liable to Supplier or its Suppliers or Suppliers of any tier in tort (including negligence), or purchase order except as specifically provided in this purchase order.

Any claim arising out of or attributable to the interpretation or performance of this subcontract which cannot be resolved by negotiation shall be considered a dispute within the meaning of this clause.

If for any reason Supplier and BMPC are unable to resolve a claim for an adjustment, Supplier or BMPC shall notify the other party in writing that a dispute exists and request or provide a final determination regarding the claim. Any such request by Supplier shall clearly reference this clause and shall summarize the facts in dispute and Supplier's proposed resolution of the dispute.

BMPC shall, within sixty (60) calendar days of any request by Supplier, provide a written final determination setting forth the contractual basis for its decision and defining what purchase order adjustments it considers equitable. Upon Supplier's written acceptance of BMPC's determination the purchase order will be modified and the determination implemented accordingly.

If BMPC's final determination is not accepted by Supplier, the matter shall, within thirty (30) calendar days, be referred to senior executives of the parties who shall have designated authority to settle the dispute. The parties shall promptly prepare and exchange memoranda stating the issues in dispute and their respective positions, summarizing the negotiations that have taken place and attaching relevant documents.

The senior executives will meet for negotiations at a mutually agreed time and place. If the matter has not been resolved within thirty (30) days of the commencement of such negotiations, the parties agree to consider resolution of the dispute through some form of Alternative Dispute Resolution (ADR) process which is mutually acceptable to the parties.

Should the parties agree to pursue an ADR process each party will be responsible for its own expenses incurred to resolve the dispute during the ADR process.

If the parties do not agree to an ADR process or are unable to resolve the dispute through ADR, either party shall then have the right to pursue any legal remedy consistent with other terms of the purchase order.

Pending final resolution of any performance issue, request for equitable adjustment, claim or dispute regarding this purchase order, the Supplier shall proceed diligently with the performance of this purchase order.

SUPPLIER LIABILITIES AND INDEMNIFICATIONS

This purchase order does not bind nor purport to bind the United States Government, its officers, employees, or agents. As to the Work to be done, or services to be performed by Supplier on Buyer premises, Government premises, or the premises of other Buyer Suppliers, Supplier assumes entire responsibility and liability for losses,

Supplier will indemnify and save harmless the Government and Buyer, or other Buyer Suppliers, from and against any and all claims, demands, actions, causes of actions, suits, damages, expenses (including attorneys' fees) and liabilities whatsoever resulting from or arising in any manner on account of or by reason of any injury to or death of any person or any damage to or loss of property which may occur or be alleged to have occurred as a result of or in connection with the performance of this purchase order.
